

The Association of Process Engineering Students' Fuksi Point Card 2020

The progress of a process is modelled with fuksi points. In order to form the end product, which is a Prosessiteekkari, a fuksi must have completed the Core Process which is all the compulsory points and have at least 30 elective fuksi points. This warrants the fuksi to receive a teekkari cap at the possible Wappu. Diligently completing the elective points also warrants a respected title based on the following premises:

Fuksi Doctorate	60 points
Honorary Degree	75 points
Super Fuksi	95 points
